

RED RIVER 3

Dom Dal Bello, May 15, 2015

Revision B: May 28, 2015

Rations

The first ration issue by the event through the Federal commissary will be in camp, MONDAY AFTERNOON, June 8. Bring your own rations to survive until then.

Note that this is not an AoP event, so the rations are not exactly the same (e.g., you likely won't see any barrels of salt pork bellies).

While I cannot say what rations will be issued each day of the Camden Expedition, the real soldiers had some idea of what might be issued, and a lot of experience cooking whatever it was they got.

In that spirit (i.e., as soldiers, we have some idea what we have been issued in the recent past; we are not just dropped in from somewhere in the time-space continuum), here are some things that might likely be issued:

Daily: Coffee, Bread, Apple, Bacon, Grits (bacon, grits intended for morning meal).

Meat (rotation): Tasso*, Ham, Beef Jerky (primarily for evening).

Starch, evening (rotation): (Wh.Potato, Rice) / (Corn,Cheese)

Starch, morning (rotation) (Wh.Potato / Sweet Potato)

Rations for the march: (Peanuts, Dried Apricots) / (Parched Corn/Dried Fruit)

*Tasso is Louisiana-style spicy pork (shoulder)

Monday evening you might get: Tasso, White Potato and Rice.

Diet Restrictions

If you have any diet restrictions, please let us know asap.
